

**Magora Systems has
been recognized as a
Top 20 iOS App
Development
companies in 2021 by
DesignRus**

DesignRush is a B2B platform which aggregates development, design, digital marketing and technology companies. It helps brands to find the best possible contractor solution for business purposes. DesignRush marketplace contains 9000+ companies around the world in its database and gets over 280,000 B2B visitors per month.

"We're proud to announce that Magora and our expertise in iOS app development were highly anticipated and acknowledged in DesignRush's Top-20 [mobile app development companies](#). This is an important milestone for our team during a pandemic state around the world. We will continue to improve our competencies in mobile software development, especially in the med-tech sector. We are curious to be a part of a rapidly growing medical technology market and all the benefits that it brings to mankind and business." - Magora Systems

Magora is a trusted global software, mobile, and web development company, #1 top of Clutch developers from Russia. Since 2010 we offer full-cycle development services in the UK, US and Europe: from Business Analysis, UI and Architecture Design to Development,
